Customer information regarding new SRRC Policy in Chinese Type Approval

We, CTC advanced GmbH, would like to inform you about a change in the Type Approval process in China and the new policy about SRRC introduced in October 2018

The SRRC will have a new policy with the following changes:

- The Authority won't charge an obligatory testing fee anymore, but:
If the testing fails, the authority's testing laboratory will claim a payment.
- Technical service fee: laboratories in China will charge a technical service fee which includes a setup fee for samples and handling fee for reviewing the documentation and testing follow-up.
- Additional documents and samples required

CTC advanced will be pleased to assist you in the approval process for your product on China market. Please feel free to contact us for further information!
